

[§27-41.1] Definitions. For purposes of this part:

"Data" means final versions of statistical or factual information:

(1) In alphanumeric form reflected in a list, table, graph, chart, or other nonnarrative form, that can be digitally transmitted or processed; and

(2) Regularly created or maintained by or on behalf of and owned by an executive branch department that records a measurement, transaction, or determination related to the mission of that executive branch department.

"Data set" means a named collection of related records on an electronic storage device, with the collection containing individual data units organized or formatted in a specific and prescribed way, often in tabular form, and accessed by a specific access method that is based on the data set organization; provided that a data set shall not include any data that is protected from disclosure under applicable federal or state law, or contract, or data that is proprietary.
